

Kaleidoscope

Kaleidoscope is a platform initiated by Sigma to support the development of new works by independent artist/ arts groups. It is an ecosystem of support for new works as we bring together a community of performance art makers of various disciplines, mentors, producers, directors and most importantly, the audience. Choreographers and performers are able to get constructive feedback that aids in the development of the work through engaging in discourse with the audience in a safe and honest manner after each session. Promising works are identified and connected with opportunities to be presented to wider audiences.

What do successful applicants get?

1. Up to 40 hours of dedicated studio time* (rehearsal and presentation venue will be at Sigma Collective Space - 14 x 8.4m studio)
2. Artist Stipend (amount to be confirmed upon announcement of result)
3. Marketing and publicity support
4. Technical support for the presentation at Sigma Collective Space
5. Mentorship support by industry practitioners

**Slots available include weekdays before 5pm & after 10pm, most Fridays, some Sunday evenings onwards, and some weekday evenings onwards. If you require other time slots, please specify in the application form.*
